Did you know?

- The University of Tasmania is the #1 globally ranked university for climate action!
- Applications to the University of Tasmania are not made through a Tertiary Admission Centre. UTAS processes all applications directly.

Talk to UTAS at your local expo:

- Adelaide Careers & Employment Expo 10 – 12 May
- Tertiary Studies & Careers Expo 30 June – 1 July
- Darwin Careers Expo 20 August

New courses to explore

- [Bachelor of Outdoor and Environmental Education](#)
- [Diploma of Nature-Based Guiding \(1-year\)](#)
- Bachelor of [Geospatial Science](#) has replaced the Bachelor of Geography and Spatial Science

Schools Recommendation Program

The UTAS early entry program allows you to apply for up to five courses by the end of June. Instead of relying solely on your ATAR, your application is assessed on your school's recommendation, which may include your Year 11 results. Offers are made from September, giving you plenty of time to apply for relocation scholarships if you're from interstate.

- Round 1 applications open 27 June and close 29 July.

Torrens University Design & Creative Tech. Scholarship

Torrens University Bright Awards Design and Creative Technology Competition highlights emerging talent across secondary schools in Australia.

If you're a domestic Year 10, 11, or 12 student, the Bright Awards offer you the chance to showcase your talents and win \$1,000 and an Adobe Creative Cloud license. One Category Winner will receive a 50% scholarship to study Design and Creative Technology at Torrens University plus \$5,000 for their school!

Entry categories

- Architecture & Interiors
- Digital Technology
- Fashion Design, Marketing & Textiles
- Media Arts & Gaming
- Photography
- Visual Arts

The competition is looking for original ideas, research, and planning. Submissions considered from a social, environmental or economic perspective are well-regarded.

Key Dates

- Entries open: 2 May 2024
- Entries close: 19 Aug 2024
- Judging period: 19 Aug – 27 Aug 2024
- Winners announced: 6 Sep 2024

Explore your STEM future at an NYSF STEM Hub

Year 12 students can secure a discounted early bird spot for \$250 (usually \$290) for Adelaide – 8 July to 11 July.

[Click here to learn more or register your interest.](#)

NYSF STEM HUBS

The National Youth Science Forum (NYSF) STEM Hubs are designed to give you a broader understanding of the diverse study and career options available in science, technology, engineering and mathematics (STEM) and to encourage continued studies in these fields.

You will have the opportunity to:

- participate in tours of science and technology facilities,
- learn about cutting-edge research,
- engage with industry partners and research providers,
- learn about university, training and STEM career pathways,
- mix with other like-minded students from all over Australia, and
- attend social activities.

Adelaide Careers & Employment Expo

Adelaide careers & EMPLOYMENT expo
