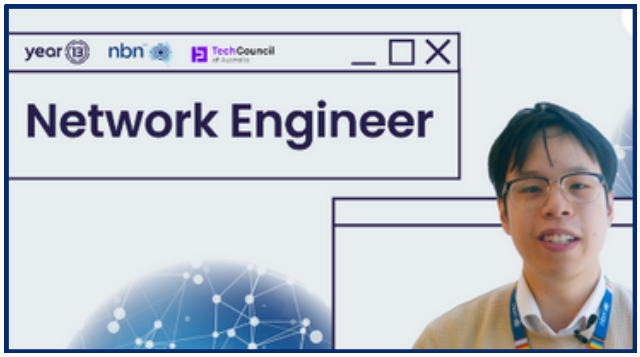
Careers Corner Weekly

SOUTH AUSTRALIA & NORTHERN TERRITORY, 2024

MONDAY 12 AUGUST #26



Network Engineer VWE

nbn Network engineers help design, build and maintain Australia's largest infrastructure project; providing internet across the country. Whether you want to be hands-on and work outdoors or would prefer to work from an office, there's opportunities to suit both needs in this career path. Find out more in this Year13 Virtual Work Experience!

National Skills Week August 19 to 25 2024

Choosing Vocational Education and Skills Training can be the ultimate game changer in your career and life-igniting paths to personal and professional success, giving you the competitive edge with skills and confidence to thrive. Vocational training allows you to take control of your future, delivering practical, real-world skills that you can apply immediately, ensuring you're job-ready from day one.

Micro Mathematicians

Micro Mathematicians is an enrichment program for advanced students in Years 5 to 10 with an interest in mathematics beyond the classroom. The program offers free virtual workshops throughout the year. Students participate in activities designed to promote mathematical investigation at a high level. Applications close Saturday 31 August 2024.
