## STEMIE – Come in Day

Dear parent/caregiver,

We are excited to announce an upcoming incursion activity that promises to be both educational and inspiring for our students. As part of our commitment to providing unique learning experiences, we have arranged for a special workshop on building and testing a Mars rover.

During this workshop, students will have the opportunity to engage in hands-on activities related to the construction and testing of a Mars rover. This activity is designed to spark their interest in science, technology, engineering, and mathematics (STEM) while fostering creativity, teamwork, and problem-solving skills.
