Year 7 - 10 Music Excursion

Dear parent/guardian,

As part of Years 7-10 Music, students are invited to participate in attending the Adelaide Symphony Orchestra's learning event Lights! Camera! Symphony!

Lights! Camera! Symphony! is an opportunity for Years 7-10 Music students to see and hear their learning about music composition and instruments of the orchestra from this term in action. At the concert, students will not only meet the orchestra's instruments but also connect with music they know and love with some of the most exciting screen music of all time. Between the music, conductor Nicholas Buc will engage students in an exciting exploration of orchestral music, igniting their curiosity as they delve into the music that brings their favourite films to life.
