## Pride March 2024

Dear parent/carer,

Open Access College will be taking to the streets of Adelaide to join in the annual Pride March in celebration of LGBTIQA+ identity, history, culture, diversity, solidarity, inclusiveness, and creativity.

Students are invited to join teachers and support staff in the city to participate. The march is an opportunity for students to show their support to the LGBTIQA+ community alongside OAC, and both friends and families are welcome to march with us along the way.

The march is free to join, and those attending with OAC will be included within our registration. Students can choose to wear anything they like to show their support (the more colourful, the better), and we will also provide banners, flags, and other items for everyone to use on the night.

There may be loud music and flashing lights during the march.
