After your enrolment... what's next?

Here are some hints to guide you through the process from signing your enrolment form to your first class.

- Once all required paperwork has been received, your information will be entered onto the Open Access College database.
- You will be emailed a 'Confirmation of Enrolment'. Please check all details carefully and let the Client Service team know if there are any errors in your personal details or subjects selected. This letter will also include your OAC ID number which you will need to access Daymap. You can use this letter to confirm your enrolment with Centrelink.
- You will be allocated a timetable shortly thereafter. Contact your Student Wellbeing Leader if you have any questions about this.
- Once your timetable is in place, your teachers will contact you by phone or email to let you know your lesson times, and instructions for how to access.
- Ensure that the email and phone number you provided are correct and contact Client Services with any changes to these details.

For parents: Daymap Connect

The Daymap Connect parent portal provides Daymap information to parents and guardians. Visit the Parents page of the website for a link to Daymap Connect and helpsheets to guide you.

Check out the Student page

www.openaccess.edu.au/students

The Student page on the Open Access College website connects you to your most important learning tools:

Student Portal

The Student Portal is your introduction to learning at OAC.

WebEx

The virtual classroom used by OAC teachers. Wait for contact from your teacher about Webex.

Webex helpsheets available at: www.openaccess.edu.au/helpdesk

Daymap

Your timetable, attendance and assessments are found on Daymap. You can set up your account with your six digit OAC ID.

Daymap helpsheet available at: www.openaccess.edu.au/helpdesk

Google Classroom

A blended learning platform enabling students to work directly on assignments, while teachers can give feedback immediately. Wait for contact from your teacher about Google Classroom.
